FROM THE EDITOR

Got your pet -- or your partner -- in your lap? You'll definitely want to curl up with something *furry* for this issue!

Welcome to our special "Funny Animals" issue of *Gay Comics*, yet another of our far-ranging theme books. Gays and lesbians are well-known as pet lovers, a fact represented by some of the stories in this issue. The other stories include anthropomorphics, animals with the physical and intellectual characteristics of humans. Anthropomorphic fans make up a whole subculture within the comic world, known as "furry fandom." This subgrouping is very tolerant of — and often *embraces* — the gay / lesbian / bisexual communities.

We're crossing over with two of these furry books, the critically-acclaimed *Omaha, The Cat Dancer*, which is one of the most loved alternative comics in the industry, and *Shanda The Panda*, an up-and-coming furry book generating a lot of fans. We've also got a cross-over with **Diane DiMassa**'s glorious *Hothead Paisan* series, spotlighting Hothead's cat, Chicken. These cross-overs will hopefully cross-pollinate our fans with these books, bringing more fans to all the series involved!

If you didn't read last issue, we've recently won the **"1993 Award for Best Anthology to Gay Comics, edited by Andy Mangels"**! The award was presented by Britain's preeminent association of comic book professionals, the **Comic Creators Guild**.

We're trying to get noticed in the American comic awards, notably the Eisners and Harveys, but *you* can help make a difference with the third major awards. On the last page of this issue you'll find the award ballot for the ***Comic Buyer's Guide Awards***, voted on by you, the fans! *Gay Comics* #17-20 are eligible for the awards, as are any creators or stories in those issues. But hurry and vote, as the deadline is June 1st!

More recognition for *Gay Comics* creators comes on stage this month. San Francisco's Theatre Rhinoceros will be debuting a night of *Gay Comics* cartoons brought to life this Spring. "Out Of the Inkwell" is written by **Kelly Kittell**, and it includes segments by **Tim Barela**, **Diane DiMassa**, **Rupert Kinnard** (aka Prof. I. B. Gittendowne), and **Garry Trudeau**. The open-ended run begins May 21st, with an opening party planned for sometime that week. Several of the creators are planning to attend, as well as other *Gay Comics* luminaries, so call the box office at 415-861-5079 for more information!

Where else have we shown up? **Deb Price**, the only nationally syndicated "Gay Issues Columnist", hailing from the *Detroit News*, spotlighted *Gay Comics* creators in her July 23rd column, with quotes and art from **Alison Bechdel**, **Jennifer Camper**, **Ivan Velez, Jr.**, **Diane DiMassa**, and some guy named **Andy Mangels**. Plus, ye editor has recently done radio talk shows in Massachusetts ("One in Ten") and Oregon ("The Old Mole Hour").

Gay Comics also made another television premiere on *Prisoners Of Gravity* in January, in a special on Gays and Lesbians in Science Fiction. Our very own **Roberta Gregory** was seen on this Canadian series which also airs on many PBS stations!

Look for the *Gay Comics* entry, tracing the history of gay and lesbian cartoonists and comics, in Collier Books' upcoming *Concise Encyclopedia of Homosexuality*. That book should be out right around the 25th Anniversary of Stonewall in New York this June.

Speaking of **Stonewall 25**, we're working on getting a *Gay Comics* signing at one of the gay and lesbian or comic book stores of the area. If you're planning on coming in for the week-long celebration that encompasses the **Gay Games** and the Gay Pride/Stonewall 25 March, be sure to check and see if your favorite cartoonists will be appearaing anywhere!

Upcoming issues of *Gay Comics* will include work by **Matt Wagner**, **Neil Gaimin**, and **Craig Hamilton**, as well as many of our past creators. If you're new to this award-winning publication, check out the back issues for sale later in this issue. If you're a regular reader, buy some for some friends, and reserve copies of our next issue with your store. We'll see you all then!

Keep Loving!

© 1994 by REED WALLER + KATE WORLEY

WHAT ARE YOU SO NERVOUS ABOUT, ANYWAY? IT'S JUST A DATE.
HUH! THE FIRST DATE I'VE HAD IN ABOUT FIVE YEARS.
STORY: KATE WORLEY
ART: REED WALLER

OH, THAT'S RIGHT. YOU'RE THE ONLY GAY MAN IN AMERICA WHO DOESN'T DANCE.
THAT'S BECAUSE I'M THE ONLY GAY MAN IN AMERICA WHO CAN'T DANCE.

SO, WHAT'D YOU THINK?
THAT IS ONE TRULY GREAT RESTAURANT.
PRETTY DAMNED NICE FOR A FIRST DATE, TOO. THANKS.
WELL, I ONLY GO THERE FOR SPECIAL OCCASIONS.
KEEP FLATTERING ME LIKE THAT, AND I'LL FOLLOW YOU ANYWHERE.
WELL, RIGHT NOW, YOU CAN FOLLOW ME DOWN TO THE 90's.
WE CAN DANCE OFF A FEW OF THOSE CALORIES.
GEOFF... I SHOULD PROBABLY TELL YOU, I'M NOT MUCH OF A ONE FOR DANCING.
TOO FRIVOLOUS FOR YOU?
NAW, JUST THAT I WAS A PHOTO GEEK ALL THROUGH HIGH SCHOOL AND COLLEGE...
PARK
...I NEVER REALLY LEARNED HOW.
SO YOU CAN LEARN NOW.
OKAY, I'M AFRAID OF DOING MY LEARNING IN FRONT OF PEOPLE.
DON'T BE. THAT'S WHY THEY GIVE LESSONS, YOU KNOW.
LESSONS?
SURE. LINE DANCING. YOU KNOW YOUR LEFT FROM YOUR RIGHT? AND WHERE YOUR FEET ARE? IT'S EASY.
SALOON DINING
GAY 90'S
ENTERT NIGHT

LINE DANCING? DON'T TELL ME "THE HUSTLE" IS BACK.
GOD, YOU HAVE BEEN OUT OF IT, HAVEN'T YOU?
GEEZ, I'VE BEEN HERE BEFORE, AND I NEVER KNEW IT WAS A COUNTRY BAR.
TWO NIGHTS A WEEK. COWBOY DANCING.
YOU DON'T THINK I ALWAYS DRESS LIKE THIS, DO YOU?
HEY, WHAT DO I KNOW? I NEVER DID SCOPE OUT THE BANDANA THING.
HEY, BOYS... GET YOUR LEVI'S MOVIN'! WE'VE GOT SOME HOT NEW STEPS TO TEACH YOU TONIGHT!
C'MON. WE'RE JUST IN TIME.
LOOK, GEOFF...
SON, IT'S REALLY TIME YOU CULTIVATED SOME OTHER TALENTS.
OKAY, HERE'S THE FIRST PART... RIGHT HEEL, TOE...
I KNEW GOD WOULD PUNISH US FOR DISCO, SOMEHOW.
JUST FOLLOW THE NICE MAN, OKAY?
LIKE THIS?
HANDS ON YOUR HIPS.
...CROSSOVER...
RELAX. YOU LOOK LIKE YOU'RE DANCING TO A ROOT CANAL.
I'M CONCENTRATING, OKAY?

OKAY, THEN BACK THE OTHER WAY..
HEY, YOU'RE CATCHING ON QUICK.
NOW SWOOP RIGHT--LEFT...
QUARTER TURN, REPEAT...
OKAY?
MM. BEATS THE BUNNY HOP, I GUESS.
NOW THAT YOU'VE GOT THE BASICS, LET'S CRANK UP THE MUSIC...
THAT HEEL-TOE THING WORKS BETTER WITH BOOTS, OF COURSE.
YEAH, I'M FINDING THAT OUT.
HEY, YOU GOT IT.
SO FAR.
HEY... THIS IS KINDA FUN.
YOU DID GREAT!
YEE-HAH!
WHOO
A LITTLE HARD TO WIGGLE LIKE THAT IN TIGHT JEANS.
I'D SAY YOU GOT THAT WIGGLE DOWN REAL NICE, HON.
HMPH! LET ME BUY YOU A BEER, BEFORE YOUR JEANS ATTRACT ANY MORE ATTENTION.

WHAT'LL YOU HAVE?
IN THIS CROWD? MAKE IT A PABST.
LOOK A LITTLE LESS THREATENING TO YOU NOW?
WELL, FROM THIS ANGLE, ANYWAY.
GEOFF... THANKS. FOR PUTTING UP WITH AN OLD POOP LIKE ME, I MEAN.
HUH! I'M JUST GLAD I DIDN'T TURN YOU OFF COMPLETELY, BEING SO PUSHY WITH THIS.
I HAVEN'T, HAVE I?
NO, YOU HAVEN'T.
SO... MAYBE WE CAN GO OUT AGAIN?
I HOPE SO. DANCING, EVEN.
NOW THAT YOU'VE FOUND OUT IT'S NOT SO BAD, WE COULD TAKE SOME "WESTERN SWING" LESSONS, TOO.
SURE. AFTER ALL, GOTTA CULTIVATE THOSE TALENTS.
MAYBE WE SHOULD GO SHOPPING FOR THOSE BOOTS, HMM?
HEY, LET'S JUST TAKE IT ONE STEP AT A TIME, OKAY?

TOASTER
...a story of unplanned parenthood!
Butler's so patient with that kitten for an old fixed tomcat!!!
sexist!
©1993 leanne franson
...she thinks she's so 'open' about gender roles until it comes to us!!
...ahh... come on... be fair, you fatherly fag!... i'm the one who saved his miserable little life!!
...tell me the story again, Daddy Butler!!
...well, it's good neither of us fit her stereotypes! ...imagine if i was as bad a mother to toaster as you are!!
...oh, all right...
...let's see... liliane decided to rescue your tramp breeder parents from the squalor of the streets...
...as if i'd have ever let some tom touch me!!! ...but have it your way: "Toaster's poor young homeless parents..."
...don't listen to her, Toaster...
...she's just bitter cuz she was fixed before she was old enuf to roam...

...yeah, son... liliane had good intentions... she wanted to give them a good home... health care... family planning info...

...but... it was too little, too late... they were overcome by teenage hormones. ...and sadly enuf, they were straight...

MROWL!

...your poor mom was little more than a child herself when she found herself expecting children...

...late one night she gave birth to four beautiful babies...

...thank goddess i never did it with males!

...for three long days she did her best as a single parent...

...but it was too much. ...on the fourth day she walked out... thinking we'd hear your cries as you got hungry, and take over for her

MEOW MEEEW MEOW MEOW ME ME

...in fact, I wasn't even home...
...well, I didn't know I was a parent yet!!... and by the time I got back in the wee hours of the morning your cries were pitifully weak...
...right!! You were out cruisin' that uncut red Tom from the 'burbs'! and I thought kittens are 'sposed to bawl endlessly!!
...silly little breeder's left her kids!!!
...doesn't sound good-
...the first baby we took out didn't move... he was cold and didn't seem to be breathing...
...we left the poor little thing in a box on soft tissue, to bury in the morning... the others we fed warm milk with an eyedropper...
...all night long the dead kitten lay alone in the kitchen
...while we slept with the others to give them warmth.
...the next day I took the three live babies to the vet...
...four days old, eh... I doubt they'll live without their natural mother, but...

...when i got home, i found that something miraculous had happened!!
HE'S ALIVE!
...that's ME!!
...i was just looking at him...
...so small...
...so cold...
...so dead...
...he MOVED!!!
...i warmed him over the toaster in a tea towel... and he came back to life!!!
...come on, little guy!!!
...and so that's why you're called TOASTER!!
...see, i got a heart after all... even if i'm just a crusty old dyke!!!
today on Oprah... surrogate parenting by corporate lesbians in the nineties...
...thank god for General Electric and family values!!
...you're not "just a crusty old dyke"! ...you're my Mommy Zania!
...dedicated to Sushi (the real Toaster), Butler, Zania and thanx to Annie!!!

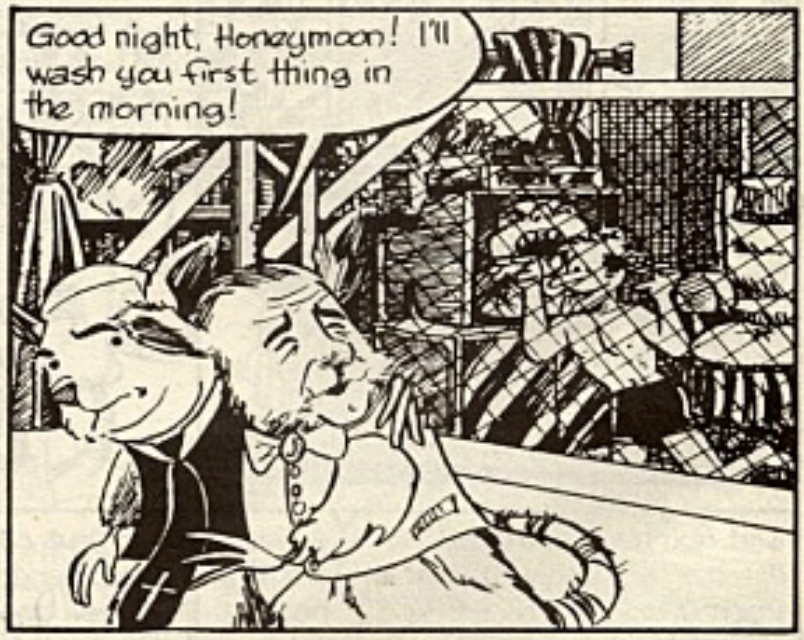
Fuck the human! Let's go to bed!
All right, Jerry, all right!



Good night, Honeymoon! I'll wash you first thing in the morning!

Good ol' Jerry. I think he's asleep. Now for some real fun.

HA! YOU DIDN'T KNOW THE HALF OF IT! I COULD BARELY LOOK AT YOU. THEN YOU TOLD ME YOU WERE STAYING NEARBY.

I PUT ON "BRIGHT EYES" BY ART GARFUNKEL AND LED YOU TO THE DAY BED.

WE HAD BEEN TOGETHER SUCH A SHORT TIME. NOW IT WAS GOING TO END.
I HAD LOOKED SO LONG FOR YOU. I COULDN'T BEAR LOSING YOU.

PLUG-O-RAMA!

Despite what we said on the inside front cover, this issue is getting out too late for the *CBG Award* ballot, so we're filling up this page with some long-deserved plugs for other items of interest to loyal ***Gay Comics*** readers. Besides those books plugged in personal bios on the inside back cover, you should check out the following items of interest:

France has their own version of *Gay Comix*, which differs from ours quite a bit. It contains many of Europe's best erotic male artists, and a few American creators. Ten issues of the magazine-sized sexually-explicit all-male comic are available from Centre Audio Viseul, 52 Avenue Maurice Thorez, 94200 Ivry-Sur-Seine, France. To order any back issues, send 29F. or $5.00 each.

Check out *Girljock* at Box 882723, SF, CA 94188-2723. A fun and funky lesbian sports magazine, this has cool cartoons in every issue, including some by Joan Hilty, Roxxie, and Angela Bocage! Tell 'em ***Gay Comics*** sent you.

Another one especially for women is *Oh. . .*, "a comic quarterly for her." Issue six has work by Alisa Campbell, Nikki Gosch, Dianne Reum, Tristram Puppy, Maureen, Hope, Joan Hilty, Alison Bechdel, Diane DiMassa, and Amy English. Back issues are $4.00 each in U.S. dollars, from B Publications, PO Box 41030, 5134 Cordova Bay Road, Victoria, BC, V8Y 2KO, Canada.

Ciao! is a fanzine focusing on "queer issues in comics." Lots of cool reviews, interviews, and articles, plus a strip or two. A cartoon collection by editor Jim Drew, *The Queer In Review*, is also available. Order from Ciao!, PO Box 61775, Sunnyvale, CA 94088.

Send a Self Addressed Stamped Envelope (SASE) for the "Catalog of Groovy Crapola" from Giant Ass Publishing, PO Box 214, New Haven, CT 06502. In it, you'll find all the issues of *Hothead Paisan* (as seen in this issue), plus Robert Kirby's great queer strip zine, *Strange Looking Exile*, of which the fifth and final issue recently came out.

If you loved the *Leonard & Larry* ***Gay Comix Special*** we came out with two years ago, you'll love the nearly complete collection of Tim Barela's series in a handsome trade paperback. At 144 pages, it features an Introduction by yours truly, a Forward by the late John Preston, and lots and lots of the funniest couple of leather bears in the world. *Leonard & Larry: Domesticity Isn't Pretty* is available for $11.00 from Palliard Press, 1309 4th St SE, Minneapolis, MN, 55414. We still have copies of the ***Special*** available from our back issue department, and it features some material not in this paperback! See the centerspread ad for ordering info.

England has two answers to ***Gay Comics***, one for men, and one for women. *Buddies* is an oversized series, with three issues out. Send $5 to Pretend Family, 52 Dunedin Road, Leyton, London, E10 5NJ. *Dykes Delight* issue #2 just came out in May, with work by Jennifer Camper, Kate Charlesworth, Karen Platt, Grizelda Grizlingham, Andrea Natalie, Lucy Byatt, Leanne Franson, and Roberta Gregory. Order for $5 from Fanny, Unit 6A, 10 Acklam Road, London, England W10 5QZ.

Toronto's Queer Press recently came out with a trade paperback collection of cartoons called *A Queer Sense Of Humor*. It features 24 gay, lesbian, and bisexual cartoonists, mainly Canadian, with some familiar names and many newcomers among those represented. There's no price listed, but you might find it — or special order it (ISBN 1-895564-01-8) — at your local bookstore. If all else fails, write QP, PO Box 485, Station P, Toronto, Ontario, M5S 2T1, Canada.

Fans of older men and Daddies should enjoy the explicitly sexual comic *Silver Balls*, cartooned by Quetzal. At least two issues of the series are available, and I hope Quetzal has some more coming. Order copies for $3.50 each, from Hand Jive Comix, PO Box 46095, LA, CA 90046.

Finally, it's not exactly a comic, but you should check out Rob Rodi's hilariously bitchy and positively queer look at the world of comics in *What They Did To Princess Paragon*, now out in hardcover from Dutton. Rodi is a long-time critic for *The Comics Journal*, and he reveals the inside of a semi-fictional comic industry you never imagined could be true!

If the above comics and comix don't fill out your summer reading list, you'll have to wait for ***Gay Comics*** #23, due out this Fall. I can also tell you that a gay super-hero anthology series is in the planning stages for Spring 1995 premiere, under the publishing auspices of editor Andy Mangels' new "**AMP**" imprint (it stands for A.M. Publications).

We'll see you soon. Have a Gay old time!

QUEER SIR . . .

My plea for letters last issue has brought in so many that I'll only be running snippets of several, to answer questions or address points in them. Keep writing please. Your letters are read, appreciated, and (eventually) answered!

Dear Andy,
*You have been doing an incredible job with **Gay Comics**. Your book is a dream come true for all of us who grew up with comics as religion. It's about time that someone is putting out quality stories about our people. And what stories they are! The diversity you present is incredible, though I do have a fondness for the theme issues you have done (especially the Leonard and Larry issue!). It's also been thrilling to see work by many of my boyhood heroes. How do you manage to get talent like Craig Hamilton (who made Aquaman sensual) and Eric Shanower (Pizza Face was hilarious)? Give me more!*

***Super Gay Comics** #20 is damn good. From cover to cover you've given us a wonderfully diverse collection of queer superheroic mythology. Keep up the great work you're doing with this book. Thanks for making the comics of my adulthood free from the heterosexist bias that plagued the heroes of my youth.*

Robert A. Nunez III
Fullerton, CA

The above is greatly condensed from two letters Robert sent in, for which he expressed fondness for many of the creators and heroes in ***Gay Comics*** #16-20! Thanks for the kind words, Robert, and while you won't be seeing lots of superheroes in ***Gay Comics***, you will see them occasionally. See the end of the plug-o-rama column next page for some exciting news about a new gay super-hero anthology.

Dear Andy,
*Let me take this opportunity to say how excited I've been by the reemergence of **Gay Comics**. This is its third phase, as far as I can tell. I enjoyed Howard Cruse's editorship because he really pushed creators to produce a personal work of quality. I felt that after he left there was a decreasing emphasis on what I'll call the craft or art of cartooning and the techniques that make the medium unique. So, your plans look good to me. Just looking at the issues I can feel the energy. Good luck.*

Stephen K. Jusick
Princeton, NJ

I am indeed the third editor of ***Gay Comics***, Stephen, but I admire the work of second editor Robert Triptow quite a bit. He brought on board a lot of the current stars of the queer comic scene, not the least of which is Tim Barela. All three editors have had a different focus for the series; among mine are to bring the series out of the underground and into the mainstream, and to have a 50/50 sexual equality between male and female cartoonists. Stephen also suggests prose articles or reviews, a sentiment echoed by others. I'd suggest you check out *Ciao!*, which already covers this area.

Dave Sanders of San Francisco wrote as a fan of my *Sentinel* stories in ***Gay Comics***, and of my *ElfQuest: Blood Of Ten Chiefs* stories. WARP decided not to renew my contract after issue #7 of that series, so the gay-themed *ElfQuest* stories I had planned will probably never materialize. Dave suggest Colleen Doran's *A Distant Soil* as an "illustrated novel" series which features gay characters. I second the recommendation. I've spoken with Colleen about doing some work for us in our pages, and she's willing to when she's got some time open in her schedule. She's now self-publishing *A.D.S.* through Aria Press.

M.G. Keller of Durham, NC, notes that in our super-hero issue, two female-created characters had non-violent vision powers, which was an interesting contrast to Cyclops' and Superman's destructive vision powers. Cool! I hadn't thought of that. Meanwhile, Garrett Swearingen of Somerville, MA, asks if Alison Bechdel is an alumnus of Oberlin College, as he thinks he recognizes the campus in her "Coming Out Story" in ***GC*** #19. According to the a Spring '94 Oberlin almuni magazine's feature story on Alison, she graduated in 1981. You win the sharp-eyes award.

As I wrap up, I just got a press release on the winners of the 1993 Lamdba Literary Awards. In the release, they note "We may have to retire the gay and lesbian humor award: this is the third time Alison Bechdel's *Dykes To Watch Out For* have won our judges' hearts." Pardon me, but if the plug-o-rama page following this one isn't indicative enough of what else is on the market, there are plenty of gay and lesbian cartoonists which the Lammies are ignoring. . . not the least of which is ***Gay Comics!***

We'll see you next issue, with more comics, more fun, and more letters!

She's now producing the zine *Burning Bush*, illustrating *The Bible* in all its sexy and gory reality! She's had 'toons in *Real Girl* and many lesbian/feminist books, including work in *Gay Comix* #17.
